And I will be including Andrew Helmlinger in my office for the same reason.

Hi Nancy

Tuesday also works for me as well. I would like to invite one of our staff and managers who have the lead for our Palos Verdes Shelf Superfund work and have been our leads responding to all the elected and press on the deep ocean disposal sites.

Thanks

John

John and Sylvia,

The Scripps lead will be on leave next week- I'll provide a brief on the survey and findings. Are either of these options good for you:

Monday 2:30-3:00- ET

Tuesday 4:00-4:30 ET

Nancy,

EPA would very much like the briefing. Thanks for reaching out. I have copied John Longs (Acting Deputy Regional Counsel) and Sylvia Quast (Regional Counsel) and am also happy to facilitate. It would also be great to include some NOAA GC staff.

Yes, Walker that would be great.

Thanks!

Syliva, John,

Would EPA find it helpful to get a briefing from Scripps about what they saw? Scripps has offered.

Walker,

Do you think a second brief on the survey findings for anyone from EPA, NOAA, or any other agencies would be helpful? Scripps is happy to do it.

Nancy
